SUBJECT: **STAR 6 Memorial 5K/10K Run – Sunday, May 23, 2010**
Team Fundraising Opportunity

This year, the STAR 6 Foundation will be holding its first annual run; the *2010 STAR 6 Foundation Memorial 5K/10K Run* at Nimbus Flats on Sunday, May 23, 2010.

The Foundation needs your involvement and would like to present a *fundraising opportunity* for your team as well as a fun training event. We are asking teams to take this opportunity to participate in the STAR 6 Foundation Memorial Run *AND* fundraise for themselves by seeking out pledges from family, friends and co-workers. This opportunity is beneficial to both the Foundation and participating teams.

Each runner will receive a t-shirt for participating in the run. In addition, to create a little competition amongst the teams participating, the teams with the lowest combined times in each age group for boys and girls (U10, U12, U14, U16) will receive a logo'd water bottle and the bragging rights of being the top conditioned team participating.

The STAR 6 Foundation is the benevolent arm of the Sacramento County Deputy Sheriffs' Association and its mission is to support the families and "brothers and sisters" of the fallen and injured men and women of law enforcement.

We hope you will join us this year and participate in the 2010 STAR 6 Foundation Memorial 5K/10K Run. Please bring along your family and friends and enjoy a fun time!

Sincerely,

STAR 6 FOUNDATION

Kevin Mickelson
President
